

Vertical 12D HIFU Beauty Machine For Visible Skin Lifting And Firming

Our Product Introduction

Basic Information

- Place of Origin: Guangzhou, China
- Brand Name: LZR
- Certification: ISO CE
- Model Number: HIFU
- Minimum Order Quantity: 1 Sets
- Price: Discussible
- Packaging Details: Regular Packaging
- Delivery Time: 5-8 working Days
- Payment Terms: L/C, T/T,
- Supply Ability: 10000 pieces/month

Product Specification

- Name: HIFU Beauty Machine
- Body Type: Vertical
- Energy Output: 0.1J-2.5J (0.1J/step)
- Pack Size: 60*44*46cm
- Input Voltage: AC100V-240V
- Spacing: 1.0-10mm(0.5mm/step)
- Working Mode: Simultaneous / Independent Control
- Length: 5.0 - 25mm (1.0mm / Step)
- Highlight: 12D HIFU Beauty Machine, Vertical HIFU Beauty Machine, 12D HIFU Face Machine

Product name: 12D ice compress anti-aging

Input voltage: AC100 - 240V

Output frequency: 4-7 MHz

Output power: 200-400VA

Fuse: 5A

Host size: 38*36*36.5 cm

Host weight: about 9 kg

Host packaging size: 43.5*42*40 cm

Host packaging weight: about 15.5 kg

Product Description

High-Performance 12D HIFU Beauty Machine for Visible Skin Lifting and Firming

Product Description:

This HIFU Face Lift Device is suitable for all skin types, making it an ideal option for anyone who wants to rejuvenate their skin. Whether you have dry, oily, or sensitive skin, this HIFU Beauty Machine can help you achieve the desired results.

The length of the treatment can also be adjusted, ranging from 5.0 - 25mm in 1.0mm steps. This means that you can target specific areas of your face or body, ensuring that you get the most effective results. Whether you want to target fine lines and wrinkles or sagging skin, this HIFU Face Lift Device can help you achieve your goals.

In addition to its impressive energy output and adjustable length, this HIFU Beauty Machine also boasts a long lamp life. With a longevity of 300,000 shots, you can enjoy long-lasting results without having to worry about replacing the lamp. This HIFU Face Lift Device is designed to provide you with the best possible value for your money.

This HIFU Face Lift Device is also portable, making it easy to take with you wherever you go. Whether you're traveling, visiting family, or simply want to use it in the comfort of your own home, this HIFU Beauty Machine is the perfect solution.

In conclusion, if you're looking for a high-quality HIFU Face Lift Device that can help you achieve a youthful and radiant appearance, the HIFU Beauty Machine is the perfect choice. With its impressive energy output, adjustable length, and long lamp life, this HIFU Face Lift Device is designed to provide you with the best possible results. And with its portability, you can take it with you wherever you go, ensuring that you always look your best.

Length	5.0 - 25mm (1.0mm / Step)

Size	Portable
Input Voltage	AC100V-240V
Material	ABS
Supplier Info	Manufacturer
Suitable Skin Types	All
Specification	Packing , 64 X 81 X 131 Cm
Spacing	1.0-10mm(0.5mm/step)

Applications:

The LZR 3D HIFU Machine is a high-quality ultrasound anti-aging device that is perfect for use in a variety of beauty scenarios. This focused ultrasound beauty device is manufactured in Guangzhou, China and is fully ISO certified, ensuring that it meets the highest standards of quality and safety. With a minimum order quantity of just 1 set, and a discussible price, the LZR 3D HIFU Machine is accessible to a wide range of customers.

The LZR 3D HIFU Machine is perfect for use in a wide range of applications, including skin tightening, wrinkle reduction, and face lifting. The machine can be used to treat a variety of skin types and ages, making it a highly versatile and effective tool for any beauty professional. With a spacing of 1.0-10mm (0.5mm/step) and a body type that is vertical, this machine can be easily adjusted to suit any client's needs.

The energy type of the LZR 3D HIFU Machine is focused ultrasound, which allows for precise targeting of specific areas of the skin. The length of the ultrasound waves can be adjusted from 5.0 - 25mm (1.0mm/step), providing even more control and precision during treatment. The lamp longevity of the machine is 300,000 shots (IPL), ensuring that it will last for many years to come.

The LZR 3D HIFU Machine is an ideal product for beauty salons, spas, and clinics that are looking to expand their anti-aging treatment offerings. With a fast delivery time of just 5-8 working days, and payment terms that include L/C and T/T, it is easy to get started with this powerful machine. The supply ability of the LZR 3D HIFU Machine is 10,000 pieces per month, ensuring that it is always in stock and ready to ship to customers around the world.

Overall, the LZR 3D HIFU Machine is a top-of-the-line product that is perfect for anyone looking to offer state-of-the-art anti-aging treatments. Its versatility, precision, and ease of use make it an excellent investment for any beauty professional.
