Product Description

5 Speed Microneedle Therapy Machine For Wrinkles And Scars

25 Pole Pulse EMS Electroporation*

Stable and average energy
Three-dimensional cell stimulation

EMS electroporation micro needle

Stimulate cells and accelerate
collagen synthesis

EMS Microcurrent energy field

The ingenious arrangement of positive and negative poles allows each adjacent needle to form countless combinations of network forms, thus forming a dense microcurrent energy field.

* 25 pole pulsed EMS electroporation is 25 independent needles arranged ingeniously to complete a current quickly and transmit the current evenly.

* The needle can be replaced with a 9-pin needle, in this case it is a 9-pin pulse electroporation, and so on.

Portable Gold Bf Machine

Transdermal nutrition combined with nutrition introduction

Micro Probes

Ice Probe

Portable Gold Bf Machine

Product Description:

The microneedle therapy machine boasts stainless steel construction for durability and longevity. The package contents include the microneedle therapy machine, power adapter, and user manual. This makes it easy to get started with your beauty routine right out of the

box.

One of the key safety features of this machine is its auto-stop function. This ensures that the machine will stop if it detects any issues, helping to prevent any accidents. Additionally, the machine has overheating protection to prevent any damage from excessive use.

The microneedle therapy machine is suitable for use on both the face and body. This makes it a versatile tool for achieving overall skin improvement. Its gold RF microneedle technology is designed to help stimulate collagen production and reduce the appearance of fine lines and wrinkles.

Despite its powerful capabilities, the machine is energy-efficient, with a power consumption of only 10W. This means that you can use it without worrying about your energy bill.

Safety Features	Auto-stop, Overheating Protection
Material	Stainless Steel
Package Contents	Microneedle Therapy Machine, Power Adapter, User Manual
Usage	Home, Salon
Model	MTM-01
Function	Skin Rejuvenation, Scar Removal, Wrinkle Removal

This Microneedle Therapy Machine is a white electric wand massager suitable for home and salon use. It has 12 gold RF microneedles for skin rejuvenation, scar removal and wrinkle removal. It also features safety measures such as auto-stop and overheating protection. Made of stainless steel, the package contents include the Microneedle Therapy Machine, power adapter, and user manual.

Applications:

The Microneedle Therapy Machine (Model Number: WZ-3) is a versatile beauty device that is designed to provide RF microneedling treatments. It is manufactured in China Guangzhou and comes equipped with 12 needles, making it an ideal tool for both personal and professional use.

The Microneedle Therapy Machine is designed to be used in a variety of different occasions and scenarios. It is an excellent choice for those who are looking to improve the texture and tone of their skin, as well as reduce the appearance of fine lines and wrinkles. Additionally, it can also be used to treat acne scars, hyperpigmentation, and other skin imperfections.

One of the key features of the Microneedle Therapy Machine is its power supply. The machine is compatible with AC 100-240V, 50/60Hz, which makes it easy to use in a variety of different locations. Whether you are using it at home or in a professional salon, this machine is sure to provide you with the power you need to get the job done.

When you purchase the Microneedle Therapy Machine, you will receive a package that includes the machine itself, a power adapter, and a user manual. This makes it easy to get started with your new device, even if you have never used a microneedle therapy machine before.

In addition to its many benefits, the Microneedle Therapy Machine also comes equipped with a number of safety features. These include an auto-stop function and overheating protection, which help to ensure that the machine is safe to use and will not cause any harm or injury.

The Microneedle Therapy Machine is an excellent choice for those who are looking to improve the overall health and appearance of their skin. Whether you are using it at home or in a professional setting, this device is sure to provide you with the results you are looking for. Additionally, if you are interested in other beauty devices, such as radiofrequency microneedling or a Butt Vacuum Therapy Machine, be sure to check out our other products!

Customization:

Our Microneedle Therapy Machine (Model Number: WZ-3) is customizable to meet your specific needs and preferences. Made in China Guangzhou, this device features 12 needles and runs on AC 100-240V, 50/60Hz power supply.

For your safety, our machine is equipped with auto-stop and overheating protection features. As a versatile device, it can be used for skin rejuvenation, scar removal, and wrinkle removal.

Package contents include the Microneedle Therapy Machine, power adapter, and user manual. If you require additional customization, we are happy to assist you.

In addition to our Microneedle Therapy Machine, we also offer Hot Cold Therapy Machine, Electromagnetic Therapy Machine, and radiofrequency microneedling options to meet your unique requirements.
