This Fractional Co2 Laser Beauty Machine is a versatile Hair Removal Laser Machine that can also be used as a Home Laser Hair Removal Machine. It comes with 5 treatment probes and an 8-inch touchscreen for easy operation. Ideal for commercial use, it offers a wavelength range of 430/480/530/560/640/690 ~ 1200nm, a pulse width of 0.02~0.99s, and a frequency of 1-6Hz. Its portable style makes it easy to move around and use in different locations. The laser bar number is 3*755nm; 4*808nm; 3*1064nm and the energy density is 1-10J/cm².

Applications:

The Hair Removal Laser Machine is a versatile product that can be used in a variety of occasions and scenarios. It is perfect for use in beauty salons and spas, where it can help to remove unwanted hair and provide a range of other beauty treatments. It is also a great choice for home use, allowing you to enjoy the benefits of a professional beauty treatment in the comfort of your own home.

One of the standout features of this product is its 15.6-inch screen, which provides a clear and easy-to-use interface for all your beauty needs. The Laser Bar Number is impressive, with 3*755nm; 4*808nm; 3*1064nm. The screen itself is an 8-inch touchscreen, which is responsive and intuitive to use. This makes it easy to adjust the settings to suit your needs and preferences, ensuring that you get the best possible results from every treatment.

The Hair Removal Laser Machine also has an Energy Density of 1-10J/cm², which is perfect for a range of beauty treatments. Whether you are looking to remove unwanted hair, rejuvenate your skin, or treat a range of other conditions, this product has everything you need to get the results you want. In addition to being effective, it is also safe and gentle, making it suitable for use on all skin types.

In conclusion, the Hair Removal Laser Machine is a versatile and effective product that is perfect for anyone looking to enhance their beauty regimen. Whether you are a beauty professional or simply looking to enjoy a spa-like experience at home, this product has everything you need to get the best possible results. So why wait? Order your E Light Beauty Machine today and start enjoying the benefits of beautiful, healthy skin!
