Product Description

1600mAh LED Light Therapy Machine With Adjustable Timing For Pain Relief

Product Description:

With a Timing Range that's Adjustable For 15-60 minutes, you can customize your treatment to suit your individual skin needs. Whether you're looking to reduce the appearance of fine lines and wrinkles, or you're dealing with acne-prone skin, this Red & Blue LED Light Therapy Machine can help you achieve your desired results.

The LED Facial Light Therapy System is equipped with a powerful 192W Lamp, which emits a combination of red and blue light to stimulate collagen production, reduce inflammation, and promote healthy cell growth. This device is safe and effective for all skin types, and can help to improve the overall health and appearance of your skin.

With a Battery Capacity of 1600mAh, this Color Light Skin Treatment Device is portable and easy to use. Simply charge the device using the included USB cable, and you'll be ready to enjoy a spa-quality facial treatment wherever you go.

Additionally, the LED Facial Light Therapy System is designed to operate at a Relative Humidity of $\leq 85\%$, which makes it safe to use in a variety of environments. And with a Voltage of 110V 220V, this device is compatible with most standard electrical outlets, so you can use it anywhere in the world.

Features:

Product Name: LED Light Therapy Machine

Relative Humidity: $\leq 85\%$

Led Chip: 5w LED

LED Phototherapy Machine	

Applications:

The LZR SPA-3 is a powerful machine that features 200pcs of LED lights to provide you with the best results possible. Whether you are looking to reduce fine lines and wrinkles, improve skin texture and tone, or simply rejuvenate your skin, this LED Light Therapy Machine is the perfect solution.

One of the most common applications for the LZR SPA-3 LED Facial Light Therapy System is in the treatment of acne. This powerful LED Phototherapy Machine is capable of killing the bacteria that causes acne, helping to reduce inflammation and redness, and improving the overall appearance of your skin. Whether you suffer from mild or severe acne, this LED Therapy Equipment is an excellent choice.

Another popular application for the LZR SPA-3 LED Facial Light Therapy System is in the treatment of fine lines and wrinkles. By stimulating collagen production, this LED Light Therapy Machine can help to reduce the appearance of fine lines and wrinkles, leaving your skin looking smoother and more youthful.

Other common scenarios for the use of the LZR SPA-3 LED Facial Light Therapy System include the treatment of age spots, sun damage, and other types of skin damage. Whether you are looking to improve the appearance of your skin, or simply want to maintain a healthy, youthful glow, this LED Phototherapy Machine is the perfect choice.

Overall, if you are looking for a powerful, effective, and easy-to-use LED Therapy Equipment, the LZR SPA-3 LED Facial Light Therapy System is an excellent choice. With its high-quality construction, top-of-the-line features, and affordable price point, it is no wonder why this machine is one of the best-selling LED light therapy machines on the market today.

Customization:
