Product Description

5 Modes White Facial Radio Frequency EMS Beauty Instrument For Skin Tightening Body Shaping

Product Description:

The device's treatment area covers the face, neck, and body, making it ideal for those who want to achieve overall skin rejuvenation. It's made with high-quality ABS and stainless steel, ensuring durability and longevity.

The EMS Beauty Instrument uses EMS technology to stimulate the facial muscles, which helps to improve skin elasticity and firmness. This, combined with the IPL RF and Fractional RF technologies, results in a more youthful and radiant complexion.

The face slimming mode uses EMS to target the facial muscles and reduce the appearance of a double chin. The face lifting mode helps to tighten and lift sagging skin, while the anti-aging mode uses Fractional RF to stimulate collagen production and reduce the appearance of fine lines and wrinkles.

The skin whitening mode uses IPL RF technology to target dark spots and hyperpigmentation, resulting in a brighter and more even skin tone. Overall, the EMS Beauty Instrument is a versatile and effective beauty equipment that can help you achieve your desired skincare goals.

Features:

Product Name: RF EMS Beauty Instrument

Other Name: Radio Frequency Facial Machine

Color: White, Black

Output Power: 10W

Number Of Modes: 5

Function: Face Slimming, Face Lifting, Anti-aging

Muscle

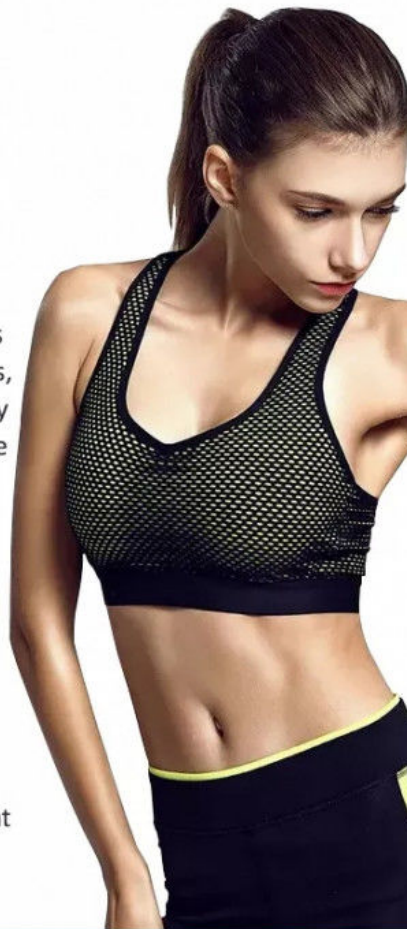

MAGNETIC LISKIN

Principle:

Tighten the lower muscle layer with a depth of 7cm, which makes the muscle strength contract for 30 minutes, which is equivalent to 30,000 abdominal crunches, which triggers the decomposition of body fat without affecting the skin, shaping the figure and charming curves.

Efficacy:

- ☒ Scientific body sculpting
- ☒ Healthy and efficient
- ☒ Increase muscle mass and reduce fat

EMS HANDLE 1:

(The machine comes with a handle)

suitable for large areas of muscle gain and fat loss in abdomen buttocks and other parts

Support and Services:

The RF EMS Beauty Instrument is a high-tech beauty device that uses radio frequency and electrical muscle stimulation technology to help improve skin elasticity, reduce wrinkles, and firm and tone the skin. The product comes with a user manual which outlines the features and functions of the device, as well as provides instructions for use and maintenance.

If you experience any technical issues with the product, please refer to the troubleshooting section of the user manual. If you are unable to resolve the issue, please contact our customer service team for further assistance.

We also offer product servicing and repairs for any defects or damage that may occur during use. Please contact our customer service team to arrange for servicing or repair of your RF EMS Beauty Instrument.

Additionally, we offer product training and support to ensure that you are able to use the device safely and effectively. Please contact our customer service team to schedule a training session.
