## Product Description

### Tesla Ems Laser 2 Handles Intensity Pulsed Electromagnetic RF 5000w Muscle Stimulator

#### Product Description:

With a voltage range of 100-240VAC, this Elight Rf Laser Machine is suitable for use in a range of settings and is ideal for professional beauty salons or for use at home. The beauty instrument is made from high-quality ABS and stainless steel, ensuring durability and longevity, and is available in two stylish colors: white and black.

The RF EMS Beauty Instrument is designed to treat a range of skin concerns, including skin whitening. The electrical muscle stimulation (EMS) technology helps to tone and tighten the skin, while the radio frequency (RF) technology penetrates the skin to stimulate collagen production, resulting in a brighter, more even skin tone.

The beauty instrument is easy to use and features a range of treatment modes, allowing you to customize your treatment to suit your individual needs. The device is also lightweight and portable, making it easy to take with you wherever you go.

In summary, the RF EMS Beauty Instrument is a powerful and effective beauty tool that combines the latest in EMS and RF technology to deliver a range of skin treatments. With its high-quality construction, easy-to-use design, and customizable treatment modes, this beauty instrument is ideal for anyone looking to improve the appearance and health of their skin.

Color	White, Black
Treatment Area	Face, Neck, Body
Material	ABS + Stainless Steel
Voltage	100-240VAC
Number Of Modes	5
Feature	Skin Whitening

#### Applications:

With its adjustable voltage of 100-240VAC, this EMS Beauty Instrument can be used in various locations. It is versatile in treating different areas of the body, including the face, neck, and body. The device is equipped with a range of LED wavelengths, including 620nm, 415nm, and 530nm, which allow for different treatments to target specific skin concerns.

The LZR JF-6 RF EMS Beauty Instrument offers a range of functions that address various beauty concerns. Its Face Slimming feature effectively reduces facial fat and promotes a slimmer face, while the Face Lifting function helps firm up sagging skin. The Anti-aging function, on the other hand, targets fine lines and wrinkles, helping to promote a more youthful appearance.

With its 5 different modes, this EMS Beauty Instrument provides a customized treatment experience. Users can choose the mode that best suits their needs, whether they require a gentle massage or a more intense treatment. The device is easy to use, and its compact design makes it convenient for home use or travel.

The LZR JF-6 RF EMS Beauty Instrument is ideal for individuals who want to achieve a more youthful and slim appearance. It is suitable for those who have busy schedules and do not have the time to visit a beauty salon regularly. With this device, users can enjoy professional-grade treatments in the comfort of their own homes.
