Product Description

620nm 415nm 530nm Red Blue Yellow Led RF EMS Beauty Instrument With 5 Modes

Product Description:

Designed to be both stylish and practical, this EMS body shaping machine comes in two colors: white and black, making it suitable for any aesthetic. With its five different modes, it can be customized to suit a variety of skin types and treatment goals. Whether you're looking for face slimming, face lifting or anti-aging, this Skin Tightening Slimming Beauty Equipment has got you covered.

The RF EMS Beauty Instrument uses advanced radiofrequency technology to stimulate the production of collagen and elastin, resulting in firmer, smoother, and more youthful-looking skin. It also features EMS (electrical muscle stimulation) technology, which can help tone and sculpt the muscles in the treated area, providing additional benefits for overall skin health.

With its compact and portable design, Face Beauty Instrument can be easily used at home or on-the-go, making it a convenient and cost-effective alternative to expensive salon treatments. Simply apply your favorite skincare products, switch on the device, and let it work its magic.

Overall, the RF EMS Beauty Instrument is a highly effective and versatile beauty device that can provide a range of benefits for the skin. Whether you're looking to improve skin texture, reduce wrinkles, or tone and sculpt your muscles, this device is a must-have for anyone looking to achieve a more youthful and radiant complexion.

Features:

Product Name: RF EMS Beauty Instrument

Feature: Skin Whitening

Output Power: 10W

Number Of Modes: 5

Material: ABS + Stainless Steel

Rf Frequency: 1MHz

This RF EMS Beauty Instrument is a powerful device that helps with skin whitening and has 5 different modes to choose from. With an output of 10W, this device is made with high-quality materials like ABS and stainless steel. The RF frequency of 1MHz ensures that you get the best results possible. It is the perfect addition to your beauty and skincare routine. It is also similar to the VELA-SHAPE Slimming Machine and other EMS Beauty Instruments.

This EMS body shaping machine is also known as RF Thermage Machine or Skin Tightening Slimming Beauty Equipment.

Applications:

LED therapy has been proven to be highly effective for various skin conditions, and this device includes 3 LED wavelengths (620nm, 415nm, 530nm) to target different types of skin issues. The 620nm wavelength is perfect for promoting skin whitening and reducing pigmentation, making it ideal for individuals who want to even out their skin tone.

The LZR JF-6 is perfect for use in various occasions and scenarios. Here are a few examples:

1. 360 Cryolipolysis Machine: The device is perfect for use in a 360 Cryolipolysis Machine setup. The RF technology helps to tighten the skin, while the EMS body shaping machine helps to remove excess fat and sculpt the body. The LED therapy helps to promote skin healing and reduce inflammation, making it an all-round solution for body shaping and skin rejuvenation.

2. EMS Body Shaping Machine: The EMS feature of the device makes it an excellent choice for use as a standalone body shaping machine. It helps to stimulate muscle contraction, which can help to tone and sculpt the body. The RF technology helps to tighten the skin, while the LED therapy helps to promote skin healing and reduce inflammation.

3. Salon Thermage RF Machine: The device is perfect for use in a salon setup as a Thermage RF Machine. It helps to tighten the skin, reduce wrinkles and fine lines, and improve overall skin texture. The LED therapy helps to promote skin healing and reduce inflammation, making it an all-round solution for skin rejuvenation.

Overall, the LZR JF-6 is an excellent product that has a wide range of applications. It is perfect for individuals who want to achieve perfect skin, and for beauty professionals who want to offer a comprehensive range of beauty treatments to their clients.

Customization:

LZR JF-6 RF EMS Beauty Instrument is an advanced EMS body shaping machine that provides effective face slimming, face lifting, and anti-aging treatments. The machine has 5 different modes that can be customized according to individual needs. It is an OEM Thermage

RF Machine that is made in China Guangzhou and has a voltage range of 100-240VAC.

The LZR JF-6 RF EMS Beauty Instrument is also known as a Radio Frequency Facial Machine that operates at a frequency of 1MHz. This Skin Tightening Slimming Beauty Equipment is perfect for those who want to achieve a youthful and radiant appearance without having to go through invasive procedures.
