Product Description:

With a voltage of 110V/220V 10% 60HZ 10A, this device is suitable for a wide range of applications. Whether you're looking to reduce the appearance of fine lines and wrinkles, tighten sagging skin, or improve skin texture and tone, this E Light Beauty Machine can help. Combined with other beauty treatments such as an IPL Laser Beauty Machine, this device can help to provide a comprehensive beauty treatment that targets a range of skin concerns. With its powerful RF technology, it can penetrate deep into the skin to stimulate collagen production, resulting in firmer, more youthful-looking skin.

Whether you're a beauty professional or someone looking to enhance their at-home beauty routine, the RF Beauty Equipment is an excellent choice. Its compact design makes it easy to use and store, while its powerful technology ensures that you get the results you want.

So if you're looking for a versatile, powerful, and effective beauty device, look no further than the RF Beauty Equipment. Whether you're looking to tighten up loose skin, reduce the appearance of fine lines and wrinkles, or improve skin texture and tone, this device is the perfect choice.

Features:

Product Name: RF Beauty Equipment

Rf Power: 50W

Treatment Tips: 5pcs(F-S/F-M/F-L/I-M/I-L)

Suitable For: Beauty Clinic/centre/salon/home Use

Screen: Big Color Touch Screen

Delay Interval: 0-3s

This Facial Beauty Device is a type of Cosmetology Equipment that utilizes Industrial Microwave Technology for skin treatments and rejuvenation.
