

## Portable HIFU Beauty Machine 0.1J-2.5J Energy Output for Face Lifting

### Our Product Introduction

#### Basic Information

- Place of Origin: Guangzhou, China
- Brand Name: other
- Certification: CE
- Model Number: hifu-3
- Minimum Order Quantity: 1 Sets
- Price: Discussible
- Packaging Details: Regular Packaging
- Delivery Time: 5-8 working Days
- Payment Terms: L/C, T/T,
- Supply Ability: 10000 pieces/month

#### Product Specification

- Working Mode: Simultaneous / Independent Control
- Energy Type: HIFU (High Intensity Focused Ultrasound)
- Energy Output: 0.1J-2.5J (0.1J/step)
- Size: Portable
- Length: 5.0 - 25mm ( 1.0mm / Step )
- Supplier Info: Manufactueruer
- Spacing: 1.0-10mm(0.5mm/step)
- Suitable Skin Types: All
- Highlight: **portable HIFU beauty machine with energy output**  
**, compact HIFU machine with adjustable energy**  
**, HIFU beauty device with precise energy control**

## Product Description

### Product Description:

The HIFU Beauty Machine is a cutting-edge Ultrasonic Beauty System designed for Face Lifting and Tightening. This advanced technology offers a non-invasive Ultrasound Beauty Therapy experience, providing exceptional results for users of all skin types. With a portable size and vertical body type, this HIFU Face Lifting and Tightening Equipment is convenient and easy to use in various settings. Whether you are a professional aesthetician or an individual looking to enhance your beauty routine at home, this machine offers versatility and effectiveness.

The pack size of the HIFU Beauty Machine measures 60\*44\*46cm, making it compact for storage and transportation. This ensures that you can bring the benefits of this advanced beauty technology wherever you go, whether it's to your spa, salon, or client's location. Featuring a spacing range of 1.0-10mm with 0.5mm steps, this device allows for precise adjustments to cater to different skin types and treatment areas. This customizable feature ensures that you can tailor the treatment to meet the specific needs of each individual, maximizing the effectiveness of the procedure.

### Features:

Product Name: HIFU Beauty Machine  
Scope: 5.0mm-25mm  
Suitable Skin Types: All  
Spacing: 1.0-10mm (0.5mm/step)  
Material: ABS  
Energy Output: 0.1J-2.5J (0.1J/step)

### Technical Parameters:

Spacing	1.0-10mm (0.5mm/step)
Specification	Packing, 64 X 81 X 131 Cm
Length	5.0-25mm (1.0mm/step)
Energy Output	0.1J-2.5J (0.1J/step)
Energy Type	HIFU (High Intensity Focused Ultrasound)
Lamp Longevity	300,000 Shots (IPL)
Input Voltage	AC100V-240V
Scope	5.0mm-25mm
Material	ABS
Pack Size	60*44*46cm

### Applications:

The HIFU Beauty Machine, also known as the other hifu-3, is a cutting-edge Non-invasive Ultrasound Beauty Therapy Machine designed for a variety of beauty applications. With its origin in Guangzhou, China, this device is certified with CE, ensuring high quality and safety standards. The minimum order quantity for this device is 1 set, and the price is discussible, making it accessible for both personal and professional use.

Perfect for beauty salons, spas, and aesthetic clinics, the HIFU Non-surgical Facial Rejuvenation Instrument offers a wide range of Product Application Occasions and Scenarios. Its portable size and vertical body type make it easy to use in various settings, providing flexibility and convenience for practitioners and clients alike.

Equipped with energy output ranging from 0.1J to 2.5J (0.1J/step), this Ultrasonic Beauty System for Face Lifting is versatile and effective. The scope of treatment extends from 5.0mm to 25mm, allowing for precise targeting of different skin layers for optimal results. With a supply ability of 10000 pieces per month, the HIFU Beauty Machine ensures a steady availability for businesses looking to incorporate this advanced technology into their services. The device operates on an input voltage of AC100V-240V, making it suitable for use in various regions without the need for additional adapters.

For those interested in purchasing the HIFU Beauty Machine, the Packaging Details include regular packaging to ensure safe delivery. The Delivery Time is estimated to be 5-8 working days, and Payment Terms accepted are L/C and T/T, providing flexibility for different payment preferences.
